

LIST OF COMPULSORY AND OPTIONAL CERTIFICATION TRADES

<p>COMPULSORY CERTIFICATION TRADES – to work in a compulsory certification trade, a person must either hold a recognized trade certificate or be a registered apprentice in the trade. An employer wishing to hire persons to work in the trade must hire only certified journeypersons in that trade or apprentices registered in the trade and working under the supervision of a certified journeyperson. Compulsory certification trades usually involve work where public and worker safety needs to be closely monitored.</p>
